- Make a flat fist or use an open hand to hit the ball with
- Swing arm straight through when contacting the ball and aim at top of the net

Rules

- Team rotation goes in a clockwise motion
- If the ball hits the boundary line, it is considered in play
- If the ball hits the net during the serve and it makes it over the net, it is a good serve
- Your body may not make contact with the net
- No double hits
- The ball may be played off of the net during play
- Say your score first, then the other team's score
- Your team scores a point when the ball hits in-bounds on the other team's court or the other team commits a foul or hits the ball out-of-bounds
- Rally scoring – your team does not have to be serving to score a point
- A carry is a foul in which the ball looks like it is thrown rather than hit, and possession of the ball goes to the other team
- You may have unlimited hits per side before sending the ball over the net
